

### **How do I pay a toll on E-470?**

No cash is needed to pay a toll on E-470. A customer who does not have an EXpressToll account automatically becomes a License Plate Toll customer. A License Plate Toll bill will be sent to the registered owner of the vehicle 30 days after the first transaction. The License Plate Toll bill must be paid in full by the due date or all the transactions will become toll violations. A toll violation notice will be sent for each of those violations.
