

**If I am driving a rental vehicle, how do I pay my toll?**

E-470 has provided EXpressToll services as requested by the various rental car companies that conduct business in Colorado. Hertz collects tolls through PlatePass; Avis, Budget, Alamo, and National collect tolls through Highway Toll Administration; and Dollar and Thrifty use Rent-A-Toll. Tolls (and administrative fees charged by PlatePass, Highway Toll Administration, and Rent-A-Toll) are added to the customer's rental bill.
